Interview Summary

Applicant thanks the Examiner for the telephone interview held on August 13, 2007. During that interview, Applicant's representative explained the differences between the operation of the claimed invention and the prior art references. The Examiner suggested that the claim limitations can be more specific concerning the use of feedback (explicit or implicit). Applicant filed the pending response on August 3, 2007 and further limited Claim 1 with regard to explicit feedback.

Respectfully submitted,

Date: September 10, 2007
